## iPower Reminder

-  Warning alarm prevents loss of iPhone 4/4S and keys
-  iReminder and iPhone 4/4S can instantly find each other
-  Provides up to 7 hours talk time

### Loss Prevention System for iPhone 4/4S

The iPower Reminder\* provides your first line of defense against loss or theft of your iPhone 4/4S. A loud 95 dB alarm on the iReminder Tracker alerts you, even in noisy environments, whenever the iPower Battery Pack is separated from the iReminder Tracker by more than the user selected distance of 16' to 32' (see specifications). The iReminder Tracker and the iReminder Battery Pack both have a "Find Me" button that helps either device locate the other within a 100' radius. The iReminder Battery Pack contains a lightweight ultra-thin 1,900 mAh Lithium Polymer Rechargeable Battery that can give you up to double the talk time of the iPhone 4 battery alone.

\*iPhone 4/4S is not included.

**Never worry about finding your iPhone 4/4S or your keys again!**

# iPower Reminder

## ■ Key Features

- Provides an “electronic leash” for your iPhone 4/4S
- Two user selectable alert range settings: Near 16’ (default) or Far 32’ (See specifications)
- “Out of Range Reminder” triggers a 95 dB alarm if the iReminder Tracker & iPower battery pack cannot locate each other
- Two-way “Find Me” function allows you to locate iPhone 4/4S or keys within a 100’ radius
- Ultra-thin 1,900 mAh Lithium Polymer Rechargeable Battery Pack provides up to 7 hours talk time and 300 hours of standby time
- LED indicators show when it’s time to recharge the battery pack
- No assembly or tools required
